Note: Total Discounts cannot exceed \$3,350. No other scholarships are available (ie WOL DIA, Creative 8, Teens Involved, STC etc). **It is important to note** that those WOL Bible Club scholarships can be used if students transfer from WOLBI Jeju to WOLBI NY for the second year program or to some other Christian universities.

It is also important for you to know that students who attend WOLBI Jeju are not eligible for FAFSA. WOLBI NY and FL are on the FAFSA list but **WOLBI Jeju is not recognized by FAFSA (this includes student loans)**. That means **we are not able to give government tax report forms (1098-t) for American or Canadian students**.

We understand this information may prohibit some students from attending WOLBI Jeju. We hope not. It really is a great deal aside from the other advantages of attending WOLBI Jeju such as credit transfer, missions exposure, cross-cultural relationship building, overseas study trips, broadened perspective, family atmosphere, closer interaction with quality teachers etc.
